by and between _____ (the "**Owner**"), of _____, _____, and
Richard Publishing (the "**Designer**"), of 4550 47th St. West #1807, Bradenton, Florida 34210.

1. Description of the Services. The Designer will design a web Site (the "**Web Site**") for the Owner by timely providing the design and programming services listed on **Schedule A** (the "**Services**") in a professional and timely manner. All programming and documentation shall comply with standards currently employed by the Owner. The parties may at any time modify the scope of the Services by including desired changes in a written "change order" that explains the changes and the adjustment to the payment for the Services that will result from such changes. Such change order shall become effective when signed and dated by both parties.

2. Design Team. The Designer will use only qualified personnel to provide the Services (the "**Design Team**"). The Designer reserves the right to make changes to the Design Team in its sole discretion and will provide prior written notice of any anticipated change and a reasonable explanation for the change. Orientation of replacement personnel shall be at the Designer's expense.

3. Term / Scheduling. The Services will be completed timely in accordance with the schedule set forth on **Schedule A**. The Designer will begin the Services on the designated date and continue until the satisfactory completion of the Services. The term "**satisfactory completion**" of the Services means when the software and documentation developed for the Web Site performs to the specifications set forth on **Schedule A**.

4. Payments. In consideration for the Services, the Owner will pay the Designer in accordance with the payment schedule and terms set forth on **Schedule B**.

5. Ownership Rights. The Owner will own all of its proprietary information as included in the Services, as well as all source code, object code, screens, documentation, digital programming, operating instructions, design concepts, content, graphics, domain names, and characters. All Services provided by the Designer, including systems, computer programs, operating instructions, unique design concepts, other documentation developed for or specifically relating to the Owner' information processing, all of the Owner' source documents, stored data and other information of any kind, and reports and notes prepared by the Designer, will be "works for hire" under applicable United States copyright laws, and therefore the property of the Owner. Such work may not be used by the Designer for any other purpose except for the benefit of the Owner. Any and all such property shall be delivered to the Owner on request by the Owner. Upon request, the Designer shall sign

all documents necessary to confirm or perfect the exclusive ownership interests of the Owner.

6. Designer the Ownership Rights and Grant of License. Notwithstanding any other provision of this Agreement, the Services will/may include some programming code that the Designer has previously developed for its own use (the "**Designer's Prior Code**"). The Designer expressly retains full ownership of such code, including all associated rights to use such code. However, the Designer also grants to the Owner and its users a perpetual, non-exclusive license to use the Designer's Prior Code. A copy of a listing of the specific computer files that comprise the Designer's Prior Code will be provided to the Owner upon completion of the Services. Any programming that includes the Designer's Prior Code shall include such copyright notices regarding the Designer's Prior Code as the Designer may require.

7. Copyright Notice. The Designer shall include the following copyright notice (or any other notices requested by the Owner) to be displayed on each page of the Web Site that can be viewed by a user: "Copyright, 2005; all rights reserved."

8. Confidentiality. The Designer will not at any time or in any manner, either directly or indirectly, use for the personal benefit of the Designer, or divulge, disclose, or communicate in any manner any information that is proprietary to the Owner (e.g., trade secrets, know-how and confidential information). The Designer will protect such information and treat it as strictly confidential. This provision shall continue to be effective after the termination of this Agreement. Upon termination of this Agreement, the Designer will return to the Owner all records, notes, documentation and other items that were used, created, or controlled by the Designer during the term of this Agreement. The Owner or may seek and obtain injunctive relief against the release or threatened release of such information in addition to any other legal remedies which may be available.

9. Non-Solicitation of Employees. The Owner and the Designer agree to refrain from soliciting for employment, without the prior written consent of the other, their respective employees during the term of this Agreement and for a period of two (2) years following the termination of this Agreement.

10. Working Hours, Office Space and Testing Time. The Designer's employees, when working on the premises of the Owner, shall observe the Owner's working hours, working rules and policies. The Owner shall provide adequate office space and testing time for the Designer.

11. Independent Contractor. The Designer is an independent contractor with respect to its relationship to the Owner. Neither the Designer nor the Designer's employees are or shall be deemed for any purpose to be employees of the Owner. The Owner shall not be responsible to the Designer, the Designer's employees, or any governing body for any payroll taxes related to the performance of the Services. Upon request, the Designer will provide evidence of appropriate insurance coverage for workers compensation and

general liability insurance.

12. Promotion. The Designer will not use the names, trademarks, service marks, symbols or any abbreviations of the Owner, without the prior written consent of the Owner.

13. Warranty - Designer. The Designer warrants to the Owner that all software programming, web pages, CD-ROMs, diskettes, and materials delivered to the Owner in connection with the Services are free from defects in materials and faulty workmanship under normal use, and that the Web Site will operate properly with widely used web browsers. During the Designer's recommended beta testing period and for a 30 day period following completion of beta testing, the Designer will correct any software anomalies ("bugs") that occur because of defects in the source code included in the software. After such time, the Designer will make changes on a fixed hourly rate or a negotiated fixed quote basis. While no Web Site design process is able to guarantee bug-free results, the Services will be provided in a workmanlike manner, within local industry standards and tolerances for commercial applications. This warranty does not cover items damaged, modified or misused after delivery to the Owner.

14. Warranty - Intellectual Property Rights. The Designer represents and warrants that it has the unencumbered right and power to enter into and perform this Agreement and that the Designer is not aware of any claims or basis for claims of infringement of any patent, trademark, copyright, trade secret, or contractual or other proprietary rights of third parties in or to any programming or materials included by the Designer in the Services or trade names related to the Services. In the event of any claim, charge, suit or proceeding by any third party against the Owner alleging such infringement, the Designer shall defend such claim, charge, suit or proceeding. The Designer shall indemnify and hold the Owner harmless from and against any loss, cost, damage or expense (including attorney fees and legal expenses) incurred by the Owner that may result by reason of any such claim, charge, suit or proceeding. 21. Termination. This Agreement shall terminate automatically on February 13, 2006. The notice shall describe with sufficient detail the nature of the default. The party in default shall have 14 business days from the effective date of such notice to cure the default(s). Unless waived by the party providing the notice, the failure to cure the default(s) within such time period shall result in the automatic termination of this Agreement.

23. Taxes. The Owner shall pay the amount of any sales, use, excise or similar taxes applicable to the performance of the Services, if any, or, in lieu of such payment, the Owner shall provide the Designer with a certificate acceptable to the taxing authorities
